# Maybe you've drawn the conclusion that there's only one choice for office typewriters...

# think again.

Think Canon. Our sturdy and reliable new Canon AP 800-III Custom Series typewriters are the only ones with *ACCUBEAM*. A time-saving beam of light pinpointing a location on a page for easy corrections and perfect forms every time.

And the Canon Custom Series AP 850-III model includes a 9-inch CRT display with a new memorandum feature. An indispensable tool for on-screen reminders of projects, events and schedules.

Also, we offer over 700 fully trained dealers nationwide.

So before you choose a business typewriter, talk to your Canon dealer and get the complete picture. For more information, call **1-800-OK-CANON**. Then draw your own conclusions.

Enjoy easy extended payments with the Canon Credit Card. Ask for details at participating Canon dealers. Available only in the U.S. © 1990 Canon U.S.A., Inc.
